

REMINDER for the CFI / DPE Open Forum - All Pilots are Welcome

At this open forum, we will discuss how to conduct an effective risk-based flight review. This interactive presentation also leads the participants in a discussion of best practices for developing evaluation scenarios. It allows FAA Team Program Managers and designated FAA Team Representatives together with CFIs and DPEs to discuss the benefits of conducting risk-based flight reviews. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training and anyone interested in CFIs in training are welcome and encouraged to attend. Click the link below and register TODAY.

Directions: Going North or South on Highway 101 exit at Las Posas. Proceed West to Pleasant Valley Road and turn right. Turn right at Airport Way (traffic light) and proceed 21/2 blocks and destination will be on the left.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
